

Dear Editor:

On behalf of the Danvers High School Falcon Marching Band and the Danvers Parents for Music Education, we would like to extend our heartfelt thanks to Honda North of Danvers for providing a 2005 Honda Civic LX for our car raffle.

The raffle is one of the many fund raisers scheduled this year to assist the band in reaching their \$300,000 goal to participate in the 117th Tournament of Roses Parade in Pasadena, California, on January 2, 2006.

Special thanks to Devin Sullivan, General Manager of Honda North for his personal assistance and organization, Vedeem Makhlis, Kathryn Kain, the entire Honda North staff, and Ebben Communications of Boston, who helped make this event such a huge success. Also, a big round of thanks to the many band supporters throughout the north shore who purchased raffle tickets.

We are grateful for all of your help in our endeavor,

Sincerely,

The Danvers High School Falcon Marching Band
